WHEN IS THE POOL OPEN?

- Two Spotters are required to open the pool, a Lead Spotter (resuscitation trained) and an Assistant Spotter (responsible adult and competent swimmer).
- During term time the pool is open from 3.30-4.30pm weekdays.
- During weekends and school holidays the pool is open from 2.30-3.30pm and 3.30-4.30pm.*
- Additional sessions can be opened if two spotters are available

The pool calendar can be accessed via the school website: www.colleton.wokingham.sch.uk or via the TeamUp App which you can install for free on your smart phone or tablet using the calendar key reference: **ks0d0f795a7205304c**

The calendar is colour coded with Lead Spotter being red and Assistant Spotter being blue. The available sessions are shown on each day with a question mark next to the time slot (one red and one blue for each session). To add your name as a Spotter for a particular time slot, click on that time slot and replace the question mark in the title box with your name. Then click on save and your name will be shown on that time slot in the calendar. When prompted, remember to select 'for this event only' so as not to populate multiple days.

When there are two names shown for a time slot then the pool will be open for that session.

We advise that you check the calendar often, as if it is a nice day, sometimes people will sign up to spot quite close to the session time. In addition, if it is a really glorious day, more sessions may be added to allow as many people to access the pool as possible.

*subject to weather conditions and the availability of 2 spotters

HOW DO I SIGN UP TO SWIM?

After school on a weekday - Spotters will sign up on the online calendar AND a sign-up sheet (with the two spotters named) is located in the school office reception. Your child's name needs to be on the sign-up sheet in the office for them to be able to swim. If you are not at school drop off on a morning you would like to swim you can email the office and ask for your children to be added. If you are spotting then you must remember to sign up your children if you'd like them to swim.

At weekends and during school holidays, if there are two spotters listed then the pool is open and you just turn up. Places are allocated on a first come first served basis (max. 30 swimmers).

TUCK SHOP

There is a well-stocked Tuck Shop available at the pool with drinks and light snacks.
