

Dear All,

The Colleton Pool will be opening again every week starting shortly after half term (weather permitting) for curriculum swimming. We are very lucky to have an on-site pool, which means that Colleton pupils from Foundation to Year 6 are able to benefit every year from weekly swimming at school during the summer term, rather than receiving the statutory curriculum swimming lessons for just one term at some point during KS2.

The pool is run and financially maintained by the PTA and as such we ask for a single donation of £25 per family to cover the ongoing pool maintenance costs. Please make your payments via PAYPAL using the login: colletonpta@gmail.com. Please use "Pool_ eldest childs initial/surname" e.g. Pool_IWilson" as your payment reference. As for previous events it is not necessary to have a Paypal account in order to be able to make the payment online, however if you prefer, you can pay via cheque to the school office (payable to the Colleton School Association). Please may all payments by 7th June 2019.

Once you have made your payment please also complete the online registration form which can be accessed via this link: <http://tiny.cc/saht6y> which will also be available on Classlist and the school website. Hard copies will also be available in the office. By making the payment and completing the registration form you and your immediate family will have access to out of hours swimming for the duration of the season!

Some further information about the pool maintenance, and the NOP (Normal Operating Procedure for users of the pool) please see the attached.

With best wishes

The Colleton Pool Team (thecolletonpool@hotmail.co.uk)
(Debbie Evans, Sally Finnie, Vanessa Steele, Jenny Wilson)
