

CPTA-News for All

Well we are halfway into our new term and now a new lockdown is upon us but that has not stopped us from having some fun!

Halloween dress up day was a HIT! Thank you for getting involved and the lovely comments from parents, we are really grateful.

Here are some of the outfits from the day ranging from princesses, spiders and witches to Donald Trump! So glad we could have that fun day and we raised over £200!

New to the CPTA!

We are very excited to announce that we have set up an Easyfundraising account and AmazonSmile. For those not aware if you do your normal shopping through these websites the school will get a percentage. So we are asking you to please set this up on your devices. You can raise money for the school while doing your on-line shopping. Perfect while we are in lockdown too! It's really simple to set

up and doesn't cost you anything so it's a win-win situation.

For easyfundraising follow this link:

We will be holding our AGM via Microsoft Teams on 26th November at 7.30pm.

Please join us to see what the CPTA is, how much we have raised in the past year and how you can get involved. We would love to see some new faces as well as the old!

More than ever we need your help.

Due to COVID-19 we are spending more money on essential IT equipment so that none of our children will be disadvantaged by the disruption that the pandemic has brought upon us.

How can you help?

We need helpers to join in the events committee to bring ideas on how to run events.

We will also need some present wrappers in the next couple of weeks too.

The only beauty of this pandemic is that as our events are going to be virtual, for the time being, your help can be done around your work/home commitments.

If you are interested in helping out in any capacity then please do contact us. We aim to make fundraising a fun and friendly experience; it is also a great way to make friends and get to know people (often with a glass of something red or white in our hands 😊).

What's On

Calendar Competition - Being held in bubbles, we are holding a competition for our children to design pictures for a calendar for you to purchase for 2021. Please find attached the entry form at the end of this newsletter.

Christmas Fun Afternoon and Grotto - The children will be having a Christmas fun afternoon on Wednesday 16th December where they will have the opportunity to make some lovely Christmas crafts and decorations to take home at the end of the day and also take part in a virtual grotto!!!! Look out for more details in our next newsletter....

Christmas raffle - We will be having our usual Christmas raffle and are appealing to you all to see if you would have any suitable raffle prizes or have any company contacts who would be able to offer prizes for our raffle at all? Every little helps as they say and it would be fantastic to make this a bumper raffle this year.

As always, many thanks for all of your support of the school and our fundraising efforts, it is all very much appreciated.

We will look forward to seeing the calendar entries and please don't forget to pay on classlist.

Many thanks,

Your CPTA.
