

Colleton PTA Christmas Calendar Competition

This year we will be producing a calendar with the children's artwork in it and we need your help. Each registration group have been given a different Month to illustrate. Children can choose to do this in any media they would like in any way they would like – paint, colour pencils, collage, drawing, playdoh, Lego, etc and need to fill the space given. If artwork is larger or sculptural you may attach a photograph of the work to fill the space or you can email the entry to: colletonPTA@gmail.com. There will be several winners per group. If you are short of time why not attach a previous artwork you are proud of? – see below for box.

The winning entries from each group will be used in the Colleton School 2021 Calendar that will be available to buy in time for Christmas.

Deadline for entries is 27th November and should be posted into our labelled post box around the one-way system from Monday 16th November. It's just £1 to enter via classlist on-line. Please don't forget to add child's name and registration group/ Month they are entering.

Here is the list to see which month you need to do:
