

## **Email to parents 31 3 21**

Dear Families,

During the Easter holiday period, I have been asked to continue to support track and trace with identifying any families that need to self-isolate in the event of a positive covid test result within the school community.

Therefore if your child tests positive and had been experiencing symptoms within 48 hours of attending school can you please email [alert@colleton.wokingham.sch.uk](mailto:alert@colleton.wokingham.sch.uk) so that I can let any affected members of the school community know.

I will be checking this email address between 9.30-10.30am each day up to and including 6<sup>th</sup> April. In the event of any positive cases after this date there is no need to contact the school until the children are due to return to school on 19<sup>th</sup> April. This information should be emailed to [admin@colleton.wokingham.sch.uk](mailto:admin@colleton.wokingham.sch.uk) as per our usual absence procedures.

During Easter we will be reviewing and updating our risk assessment. If all remains in line with the government road map, we plan to reintroduce mixing with another bubble at lunch time as we were doing before Christmas. We will also be working towards a gradual return to a more flexible group approach during learning time including doubling up bubbles across teams.

We are pleased to also be in a position to offer some extra-curricular clubs and music lessons during the summer term. More details will follow early in the Summer term.

I hope you all have a wonderful Easter break and thank you for your continued support.

Mrs Law  
Head Teacher
