

Dear All,

Just a reminder that parents/carers are required to complete a consent or non-consent form via the school nursing website <https://www.berkshireimmunisations.co.uk/Forms/Flu> , inserting the schools name and unique code **BK109878**. Unfortunately they are unable to accept emails as consent/non-consent for children.

This must be done for all children before 12pm Tuesday 8th December as no late forms will be accepted.

If you experience any difficulties using their website please contact us on 0300 365 0077 or SchoolImmunisationTeam@berkshire.nhs.uk
