After School Clubs

Dear Parent,

First Soccer is returning to your school with After School sessions.

The After School club will be a Futsal club. Futsal is an indoor sport which originated in Argentina. Its a version of indoor football, encouraging quick feet, lots of skills and fast decision making. We do all of our Futsal to upbeat music, encouraging players to touch the ball in time with the beat of the music.

We believe maximising ball touches will hugely help develop the individual. All sessions involve players with a ball each, setting personal targets with no added pressure of others watching. Our coaching method has been very successful in other areas with over 35 children now training within pro club academies from our coaching programme.

These courses will be running on the school playground and/or the hall, will last for 1 hour and are open to boys and girls. Players will be required to wear either a PE Kit or Football kit. We would recommend wearing astroturf trainers and shin pads. If a session is cancelled for any reason we will try to make up time whenever possible.
