

Dear Families

As we are now enjoying some lovely weather please ensure that your child/ren:

- Have sunscreen applied before coming to school (please do not send any sunscreen into school)
- Wear a named sun hat (children will not be allowed out unless they are wearing a hat when it is hot)
- To avoid the risk of sunburn, tops should cover the shoulders and body (so NO strappy tops or crop tops)
- Bring a named water bottle
- Wear appropriate clothing and shoes (no flip flops) - please see our dress code on our website www.colleton.wokingham.sch.uk

Many thanks
