

Dear OT Families,

This term, Older Team will be looking at the Legacy of the Ancient Greeks for their Home Learning task. We have asked the children to choose a particular aspect of Ancient Greek history, then research and present how this aspect has influenced our lives today.

The PowerPoint with instructions is on Share Point which we have discussed with the children. We would love for the children to be as creative as possible with this task, but due to the current guidelines, we are asking for pictures, videos or attachments of the Home Learning to be sent either to the OT e-mail address ([otteam@colleton.wokingham.sch.uk](mailto:otteam@colleton.wokingham.sch.uk)), or uploaded onto Purple Mash.

The deadline for the Home Learning project will be Friday 4th December.

Best wishes,

OT Teachers
