

Dear YT Families

A few parents have asked about clothing and how to dress their children as we are restricted with the clothing that we can have in school.

We would like the children to come ready dressed in usual outdoor clothing on the mornings of their sessions.

For example in joggers/ trousers and a top and warm jumper/hoodie and trainers or old shoes.

The children should also come with a waterproof coat as well as gloves if it turns cold. If it is wet weather the children will need a pair of wellies, a spare pair of socks and waterproof over trousers in a bag and they will change into them if necessary in school.

Please can all clothes be named and in a named bag.

If you would like your child to borrow a pair of over trousers please let the school know as soon as possible.

Thank you for all your positive comments as well as your help at Forest School.

We have a few sessions available for different extra outdoor activities, cooking and gardening, and if you would like to help please let the office know, for the attention of Ms Dobson.

Thank you

Younger Team Staff
